Meet our new logo

Why is the Statue of Liberty tending a pin? Because we aspire to be like a good caddy for the First Tee student athletes. They are still the ones that have to hit the shots in the game of life, but we all know that your round goes a lot better with a good looper on the bag.

A huge thanks to [@alternategolflogos](#) for the help with the logo! Check out his page on Instagram.

What relationship with First Tee is right for me?

Becoming a YB is about more than just a financial commitment. It is about engaging with a community of like-minded individuals, and helping to drive the mission of First Tee – Met NY.

“I understand your goals, and will give both money and time”

- » **Great!** You're exactly who we are making YB for. We want to give you a platform to have the impact that you are seeking
- » We understand that you're busy – but we think carving out a little bit of time to volunteer is important

“I want to give money, but I am worried about the time commitment.”

- » **We understand – we're all busy.** We are working hard to make it as easy as possible to volunteer and make an impact, efficiently. We're not asking for hours each week or month. Just one volunteering occasion a year (as little as a few hours) makes a difference, and helps you tell your First tee story
- » Still worried? That's why we have the new 'First Tee Ambassador' tier. We'll still invite you to some events, and you'll get some First Tee swag to show your support, but there will be a significant pricing difference on those events

“I am excited to help out, but I worry about the financial commitment”

- » **If you're worried about the give/get, we've designed it to be as flexible as possible.** Let us know – if you want to be involved, we want you, and we'll work with you to find a plan that works for you.
- » **If you only want to volunteer,** head over to firstteemetny.org/volunteer. Coach Murph will be excited to work with you!
